

Donations via Mail

Your donation of any size, large or small, will benefit young women in Nicaragua who aspire to become medical doctors. We believe that to educate a woman is to educate a family, even a nation. Your financial donation will fund young Nicaraguan women who want to become medical doctors in a poverty-ridden country where there is only one doctor for approximately 9,000 persons.

Tuition costs at URACCAN University are very reasonable because several countries fund the bulk of those expenses. Adelante Mujer pays \$1,500 per year per student for the many added expenses: school supplies, expensive medical supplies and equipment (blood pressure cuffs, thermometers, lab coats, plastic gloves, etc.) unique to the medical program and hospital work, and one meal per school day per student.

- ✓ \$90 will purchase a graduation gift for a new doctor: an engraved, Littmann stethoscope!
- ✓ \$108 will sponsor a student for a month
- ✓ \$400 will pay the travel and all expenses for a medical workshop in Leon, Nicaragua
- ✓ \$750 will sponsor a student for a semester
- ✓ \$1,500 will sponsor one student for a year
